SUMMARY

Enthusiastic BSc(Hons) Information Technology undergraduate at Sri Lanka Institute of Information Technology (SLIIT) with hands-on experience in software development and foundational knowledge in software quality assurance. Familiar with SDLC, Agile methodologies, and modern development tools, with a strong interest in building reliable, high-quality software solutions. Seeking an internship opportunity to apply technical and analytical skills in a professional environment while continuously developing industry-level expertise.

PERSONAL INFORMATION

- Full name : Degallassegedara Ralalage Geeth Lakshan Gunathilake
- NIC :200228900498
- Date of Birth : 15/10/2002
- School : D B Welagedara Central College (A/L), Ku/ Wellawa Central College (O/L)
- Employment Status : Student

EDUCATION

AI/ML Engineering(certificate) at SLIIT (Reading) **Since - 2025**

BSc (Hons) in Information Technology **Since - 2022**
Specializing in Information Technology (Undergraduate) - SLIIT

- 3rd Year Completed
  - Programming & Computer Fundamentals
  - Object-Oriented Concepts & Software Modeling
  - Software Engineering & System Administration
  - Mobile Development & Algorithms
  - Network & Database Management
  - Cybersecurity & Data Analytics

G.C.E. (Advanced Level) in Engineering Technology Stream **2019 - 2022**

G.C.E. (Ordinary Level) **2016 - 2018**

IT SKILLS

- Adobe Photoshop, Adobe After Effects, Adobe Premiere Pro, and Microsoft Office Package
- Fundamental programming proficiency in C and C++.
- Completed IT projects with Java, MERN Stack and Kotlin in Android Studio
- Self Studying HTML, CSS, and JS on Udemy and Coursera
- Software & Tools - Android Studio, Git, Postman, Canva, Figma, Visual Studio Code

CERTIFICATIONS

- General Information Technology - Savidya
- Software Testing Fundamentals – Great Learning Academy
- JIRA for Beginners – Great Learning Academy
- Manual Software Testing – Simplilearn (Ongoing)
- Agile Scrum Fundamentals – Great Learning Academy (Ongoing)

PROJECTS

Skill Share Platform - Web Application Academic Project(Group)
Technologies: Java, Spring Boot

- Skill Sharing Web Application allows users to register, manage accounts, and share their skills in a secure environment.
- Enabled users to access skill-based activities and collaborate effectively, enhancing interaction and engagement on the platform.

MySolutions Job Bank – Web Application Academic Project(Group)
Technologies: MongoDB, Express.js, React.js, Node.js (MERN Stack)

- Skill Sharing Web Application allows users to register, manage accounts, and share their skills in a secure environment.
- Enabled users to access skill-based activities and collaborate effectively, enhancing interaction and engagement on the platform.

Online Train Reservation System – Web Application Academic Project(Group)
Technologies: Java, JSP, Servlets, MySQL

- Designed and implemented a web-based application that allows users to search train services, check availability, and book tickets online
- Provides user account management and centralized handling of reservations to improve the efficiency of the booking process

Timetable Management System – Web Application Academic Project(Group)
Technologies: MongoDB, Express.js, React.js, Node.js (MERN Stack)

- Developed a full-stack timetable management system for organizing and managing academic schedules.
- Built RESTful APIs and integrated MongoDB for efficient data management.
- Designed a responsive frontend using React for user interaction.

Todo App – Android Application Academic Project(Individual)
Technologies: Kotlin, SQLite

- Created a task management app with local data storage, reminders, and CRUD functionality
- Emphasized clean architecture and offline usability

Online Coffee Shop App – UI Design Academic Project(Individual)
Technologies: Figma

- Designed intuitive and user-friendly mobile app interfaces for a coffee shop service.
- Focused on usability, visual hierarchy, and responsive design principles

LEADERSHIP AND INVOLVEMENTS

- Member of IEEE Student branch of SLIIT
- President of Technological Society of School
- Member of School IT Society
- Member of School Prefect Board
- Captain of School Cricket Team
